

The Routledge Handbook of Transitions to Energy and Climate Security

VII Global Issues

- Ch. 27 Regional Cooperative Efforts in the MENA*
 - Luigi Caarafa, Barcelona Centre for International Affairs (CIDOB)
- Chapter 28 International Cooperative Efforts
 - Julia Neshelwat, U.S. State Department/Naval Postgraduate School

VI Energy Transitions in Carbon Reduction Countries

- Ch. 23 France
 - John S. Duffield, Georgia State University
- Ch. 24 Denmark
 - Peter Karnøe, Aalborg University
- Ch. 25 Germany
 - Andreas Kraemer, Ecologic Institute
- Ch. 26 Morocco
 - Tayeb Amegroud, OCP Policy Center, Morocco

V Energy Transitions in the Carbon Consuming Countries

- Ch. 16 Japan
 - Julia Neshelwat, U.S. State Department/Naval Postgraduate School
- Ch. 17 Thailand
 - Adam Simpson, University of South Australia
- Ch. 18 Pakistan
 - Michael Kugelman, Wilson Center

 - John Calabrese, Middle East Institute
- Ch. 21 Turkey
 - Mehmet Efe BİRESSELİOĞLU, Izmir University of Economics
- Chapter 22 Italy
 - Fabio Farinosi Harvard University

IV Energy Transitions in the Intermediate Carbon/Producing/Consuming Countries

- Ch. 10 China
 - Yi-Chong Xu, Griffith University
- Ch. 11 United States
 - Robert Looney, Naval Postgraduate School
- Ch. 12 UK
 - Caroline Kuzemko, University of Exeter
- Ch. 13 Brazil
 - Fabio Farinosi, Harvard
- Ch. 14 Indonesia
 - Fitrian Ardiansyah, Australian National University
- Ch. 15 Egypt
 - Robert Springborg, Naval Postgraduate School

I Introduction

- Chapter 1 Overview and Main Themes
 - Robert Looney Naval Postgraduate School

II Framework for Policy Evaluation

- Ch. 2 Evolving Factors Affecting Energy Security
 - Marcus King, George Washington University
- Ch. 3 Climate Security Imperative
 - Francisco Femia and Caitlin Werrell, Center for Climate and Security
- Ch. 4 Energy Security and Climate Policy: Two Sides of the Same Coin
 - Peter Hartley, Rice University
- Ch. 5 Frameworks for Regional Cooperation, The EU
 - Benjamin Gorlach and Matthias Duwe, Ecologic Institute.

III Energy Transitions in the Carbon Producing Countries

- Ch. 6 Saudi Arabia
 - James Russell, Naval Postgraduate School
- Ch. 7 Canada
 - Chris Bataille, Navius Research
- Ch. 8 Russia
 - Jack Sharples, European University of St. Petersburg
- Ch. 9 Mexico
 - Duncan Wood, Wilson Center
